

FINDING GOD "Finding God in the Dry Places" Exodus 3 & 4

No. 6351

Jill Briscoe

I believe in Jesus, but for so long I've been spiritually dry. I made a mistake. A bad mistake! And since then, I've been living in a desert of regrets in a dry and barren land... thirsty, thirsty, thirsty. It's been a long time since I've experienced a sense of the supernatural. I feel isolated, marginalized, full of self-doubt – a failure.
